

ZIZZIFY OCCUPATIONAL WORKPLACE HEALTH & SAFETY POLICY

1. POLICY OVERVIEW

Zizzify is committed to providing a safe, secure, and healthy working environment for all employees, contractors, and stakeholders. The organization recognizes that workplace safety is a fundamental right and strives to eliminate risks, prevent injuries, and promote overall well-being.

2. OBJECTIVE

The objective of this policy is to:

- * Establish a safe and healthy workplace environment
- * Provide clear guidelines on safety practices and procedures
- * Prevent workplace injuries, illnesses, and accidents
- * Ensure compliance with applicable health and safety laws and standards
- * Promote physical and mental well-being of employees

Zizzify strongly believes that every employee has the right to feel safe and secure at the workplace and is committed to maintaining the highest safety standards.

3. SCOPE & APPLICABILITY

This policy applies to:

- * All full-time and part-time employees
- * Contractual staff, consultants, and interns
- * Vendors, visitors, and third-party personnel working on company premises

It covers all workplace locations, including offices, project sites, and remote work environments where applicable.

4. DEFINITIONS

4.1 Healthy Workplace

A workplace where employees collaborate to promote safety, health, and well-being while ensuring dignity and productivity.

4.2 Occupational Hazards

Any condition, activity, or exposure that may negatively impact the health, safety, or well-being of employees.

5. POLICY FRAMEWORK

The policy is based on two key aspects:

a) Preventive Actions

b) Emergency Management

Additionally, Zizzify adopts continuous improvement practices through audits, training, and monitoring.

6. PREVENTIVE ACTIONS

Preventive measures are designed to minimize risks and avoid workplace injuries or illnesses.

6.1 Risk Assessment and Hazard Identification

- * Periodic risk assessments and job hazard analysis will be conducted
- * Identification of potential hazards in workplace environments
- * Evaluation of risks associated with specific job roles and tasks
- * Implementation of preventive control measures

6.2 Occupational Hygiene

Zizzify ensures identification, evaluation, and control of workplace hazards such as:

- * Chemical exposure
- * Physical hazards (noise, heat, radiation)
- * Biological risks
- * Psychosocial stress factors

Measures will be taken to reduce exposure and maintain safe levels.

6.3 Personal Protective Equipment (PPE)

- * Employees must use PPE such as gloves, helmets, goggles, masks, and protective clothing where required
- * PPE usage is mandatory for high-risk tasks
- * The company will provide and maintain necessary safety equipment

6.4 Safe Work Practices

- * High-risk tasks must be performed under supervision
- * At least two employees must be present during hazardous operations
- * Safety instructions must be followed at all times
- * Unsafe acts or conditions must be reported immediately

6.5 Equipment and Infrastructure Safety

- * Regular inspection and maintenance of machinery and tools
- * Electrical equipment must be safe, properly insulated, and regularly checked

- * Faulty equipment must not be used

6.6 Workplace Environment

- * Adequate ventilation and air quality standards must be maintained
- * Proper lighting must be ensured to avoid hazards
- * Emergency lighting must be available in case of power failure

6.7 Signage and Safety Communication

- * Clear safety signs and warnings must be displayed
- * Hazard zones must be marked appropriately
- * Employees must be informed about safety protocols

6.8 No Smoking Policy

- * Smoking is strictly prohibited in office premises except in designated areas

7. EMERGENCY MANAGEMENT

Emergency management focuses on responding effectively to unexpected incidents such as fire, natural disasters, or accidents.

7.1 Emergency Preparedness

- * Emergency Response Teams (ERT) will be designated
- * Emergency procedures will be communicated to all employees

7.2 Fire Safety

- * Fire extinguishers and alarms must be regularly inspected
- * Fire exits and evacuation routes must be clearly marked
- * Regular fire drills must be conducted

7.3 First Aid and Medical Support

- * First-aid kits must be available at accessible locations
- * Trained first-aid personnel must be present during working hours
- * Immediate medical assistance must be provided in case of emergencies

7.4 Evacuation Procedures

- * Evacuation plans must be displayed across premises
- * Assembly points must be identified and communicated

- * Employees must participate in evacuation drills

7.5 Incident Reporting

- * All incidents, accidents, or near-misses must be reported immediately
- * Investigations will be conducted to identify root causes
- * Corrective actions must be implemented

8. ADDITIONAL SAFETY MEASURES

- * Hazardous materials must be stored safely away from work areas
- * Electrical systems and generators must be maintained securely
- * Flammable substances must be handled with caution
- * Employees must be covered under medical and health insurance

9. ROLES AND RESPONSIBILITIES

9.1 Management

- * Ensure implementation of health and safety policies
- * Provide necessary resources and training
- * Monitor compliance

9.2 Safety Officer / Manager

- * Conduct safety audits and inspections
- * Identify hazards and recommend corrective actions
- * Maintain safety records and reports

9.3 Supervisors

- * Ensure team adherence to safety guidelines
- * Report hazards and incidents
- * Conduct risk assessments

9.4 Employees

- * Follow all safety procedures
- * Use PPE as required
- * Report unsafe conditions immediately
- * Participate in safety training and drills

10. TRAINING AND AWARENESS

- * Regular safety training programs will be conducted
- * Employees will be educated on hazard identification and prevention
- * First-aid, CPR, and emergency response training will be provided

11. SAFETY AUDITS AND CONTINUOUS IMPROVEMENT

- * Periodic safety audits will be conducted
- * Feedback will be collected from employees
- * Policies and procedures will be updated regularly

12. REPORTING AND DOCUMENTATION

- * All incidents must be documented and analyzed
- * Records of safety audits, training, and inspections must be maintained
- * Compliance reports must be submitted to management

13. NON-COMPLIANCE AND DISCIPLINARY ACTION

Failure to comply with this policy may result in disciplinary action, including:

- * Verbal or written warnings
- * Suspension
- * Termination of employment

Repeated violations or serious negligence may lead to strict disciplinary measures.

14. SPECIAL CIRCUMSTANCES AND EXCEPTIONS

Any deviation from this policy must be approved by management.

All exceptions must be documented and reviewed.

15. POLICY GOVERNANCE

This policy is governed by applicable workplace safety laws and regulations.

In case of conflict, statutory provisions shall prevail.

16. POLICY AMENDMENTS

Zizzify reserves the right to modify this policy at any time to ensure compliance and continuous improvement.

17. ACKNOWLEDGMENT

All employees must read, understand, and acknowledge this policy. Compliance is mandatory for maintaining a safe workplace.

18. CONTACT

For any queries or concerns regarding workplace health and safety, employees may contact the HR or Safety Team at Zizzify.
